April 26-28, 2023

The Olympic Logging Conference Board of Directors cordially invites you to the 76th Olympic Logging Conference, held at the Fairmont Empress Hotel in Victoria, British Columbia on April 26-28, 2023.

It is our pleasure to invite you to the 76th annual Olympic Logging Conference, April 26-28, 2023, at the Fairmont Empress in Victoria, British Columbia.

We have been in this business for 42 years and have seen a lot of changes from technology to environmental rule changes to workforce development. One constant though has been relationships and working together through good and bad times. This industry can't do anything without the land owners and tree growers, rigging men and operators, truck drivers and mills, equipment and dealer support, and financiers of all. We encourage you to Share the Vision, Share the Solution to keep this industry strong.

Conference events begin Wednesday evening, with a conference check in and Meet and Greet in the Shaughnessy Ballroom. Thursday's schedule includes a full day of presentations and panels and our keynote speaker Wendy Farrand. Farrand's talk will be

*Loggers! Don't Leave Culture to Chance.* Thursday evening will include a reception, dinner, scholarship awards and live auction in the Crystal Ballroom.

Friday morning includes What's New In Timber. Afterwards, the day presents the choice of our annual golf outing, which this year will be at the Cordova Bay golf course, or a tour of the Royal BC Museum leaving the afternoon open for wandering walking paths and window shopping in Victoria.

We could not put on a great conference, year after year, without the hard work, support and attendance of our sponsors, members and board. Please join us for an exciting and engaging event, shared with good friends in a spectacular location.

Please join us in Victoria!

Dear Conference Members and Donors,

The success of the Olympic Logging Conference would not be possible without the generous and wonderful support we receive through our sponsors. Your generosity allows us to host the best relevant speakers and provide quality meals and provide lively entertainment in our conference package. Participants enjoy learning about current topics relevant to the timber industry while networking with others in our business.

As we work towards the conference, we rely on your continued support as a key component to success. On behalf of the Board of Directors, I am asking for your financial support of the 2023 Olympic Logging Conference. Attached is a pledge form identifying the various levels of sponsorship we ask you to consider. Any level of support is greatly appreciated. Pledge forms returned by March 31st will ensure that you or your business will get full recognition at the conference for your generosity. Our sponsors receive visual and printed recognition throughout the conference and our website.

Thank you for supporting of the 76th Olympic Logging Conference and we hope you will join us at the Fairmont Empress Hotel in Victoria, B.C., April 26-28, 2023.
